Essex Technical High School

Dr. Bill Lupini
Superintendent/ Director

Mr. Brad Morgan
Principal

To the Class of 2016,

On behalf of the administrative team, we would like to congratulate you on your graduation from Essex Technical High School.

Like the class that preceded you, each of you experienced both a merger of three different schools and the opening of a new building, something which few high schoolers have had the opportunity to do. The administrative team talked often about how the Class of 2016 exhibited a collective maturity beyond your years and how you truly set a great example for your younger peers to follow.

As you prepare for the next chapter in your life, whether it be entering the workforce or continuing your education, it is our sincere hope that the academic, technical, and social experiences you had at Essex Technical High School have equipped you with the skills necessary to seek opportunities, handle adversity, and pursue your interests throughout the rest of your life.

We are grateful to have had the opportunity to play a role in your educational journey and wish you the brightest of futures.

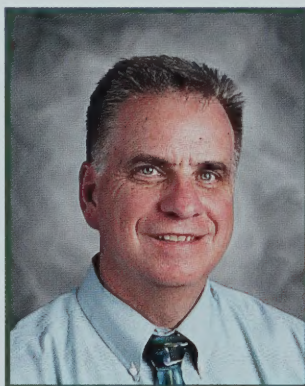

Sincerely,

Dr. Lupini and Mr. Morgan

You know you go to Essex Tech when...

"Waking up to go to school doesn't make you feel bummed out." Zack

"You are with your greatest friends." Tyler

"You know you go to Essex Tech when you can get your hair done while waiting for your dog's hair to get done." April

You feel the overwhelming relief of transitioning to shop days from academic days during the week.

There are more dogs than students on the bus.

You go home covered in something every CTE day.

A tractor cuts you off in the parking lot.

Your athletic fields are top-notch and the students talk about truck parts.

It smells of horses, cows, dogs and gasoline while walking down the hallway.

"During the football game you can hear the cows over the crowd"
Paul

You hear the phrase "Happy Academic Portfolio Day!" in your dreams!

You are graduating high school prepared for the world of work in a field of your choice.

On one side of the building it smells like horse poop, the other side of the building smelling like saw dust.

You see timberlands all around the hallways

When you see Wes driving around school in a tractor

You have two backpacks and still don't have enough space for all your stuff!

You see the truck lineup in parking lot F.

You can get your hair done, teeth cleaned, dog groomed, buy a floral arrangement, get lunch at the restaurant, buy baked goods at the bakery, and get your car detailed all at the same place.

when the
squad rolls in
wearing chef
uniforms

You have to walk
from one side of the
school to the complete
opposite side, for class.

**The fire
alarm goes
off, and its
raining
outside.**

"When you've
counted the
number of
doors in school
for a research
project."
Isabella

"You have to wrangle escaped cows
at a track meet" Haley

"The cows escape and the
students chase them."
Zahira

"You have to walk passed the goats,
pigs, and chickens to get to softball
everyday." Angelina

You spend an entire
afternoon trying to get one
bucket out of another bucket.

You greet not only teachers
and friends in the morning,
but horses too

You have a great
career before even
graduating high
school.

You have late starts instead
of early release days like
every other school.

There is horse poop in my parking spot.

You can make a map
in your sleep.

You can see more security
cameras in the hallways than
you will on a Hollywood
movie set at any moment

They ask you to finish this sentence.

You
spend
more time
outside
the
classroom
than
inside.
